How to join a Zoom meeting on your smartphone or tablet (iPad)

Setup

Please note that the Zoom app may not work on older iPhone models.

Ahead of the meeting, you will need to download the 'ZOOM Cloud Meeting' app from the App Store (if you have an iPhone) or from Google Play (if you have an Android phone):

Joining the meeting

Ahead of your meeting, the Ovacome team will send you details which will look like this:

Ovacome Office is inviting you to a scheduled Zoom meeting.

Case scenario 1: If you have the email on your phone / tablet

Five minutes or so before the scheduled start time of your workshop, open the email from Ovacome and click on the link under 'Join Zoom Meeting'. You will then be taken to the Zoom app, as below. Enter your name and click continue.

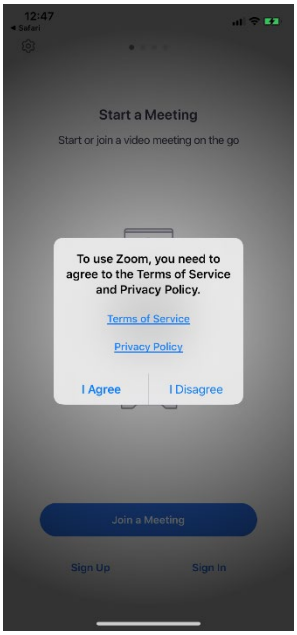

Once Zoom has opened, you may be entered in a 'waiting room' until the host starts the meeting. You do not have to do anything, just wait until the host starts the meeting. The screen will show a message like this:

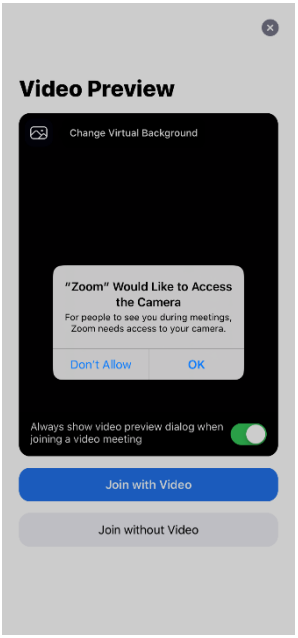

Once the meeting starts, you will then be presented with a series of options. For each, please click on the following:

Click ‘I Agree’

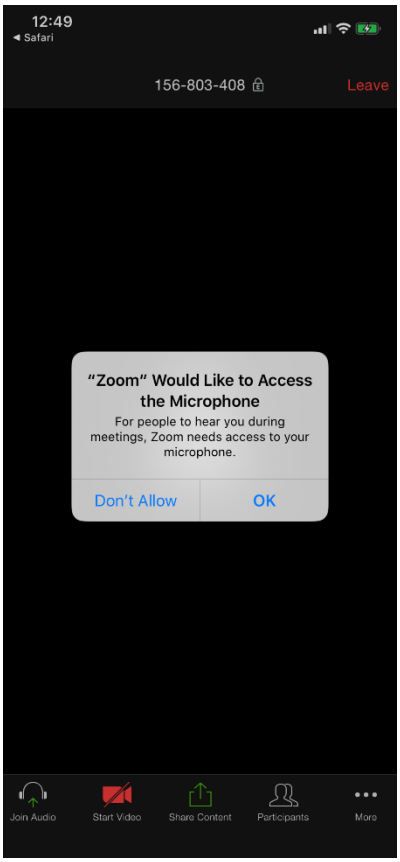

Click ‘OK’

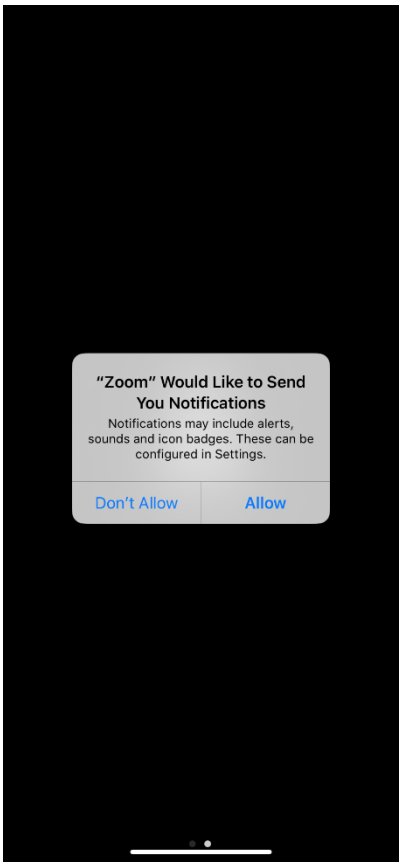

Click on ‘Join with video’ if you want other participants to be able to see you. If not, click ‘Join without video’

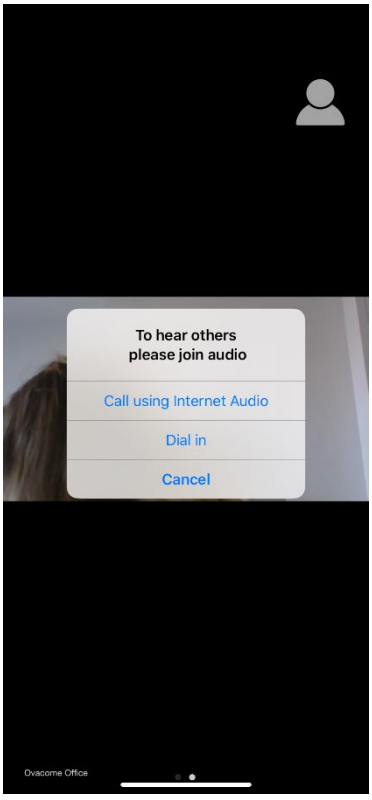

Click ‘OK’

Click ‘Allow’

Click ‘Call using Internet Audio’

You will then be in the meeting. Your screen will look something like the below. Make sure you click on the little red camcorder icon in the bottom left of the screen, if you want others to be able to see you. You're ready to go! If you have any problems, call our team on 07775 972 952.

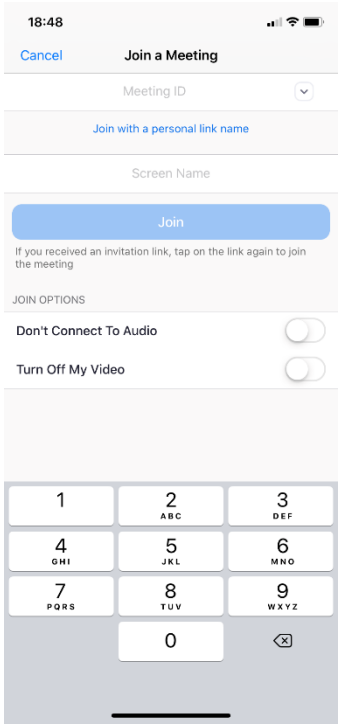

Case scenario 2: If you don't have the email on your phone / tablet

Please note that you will still need the email from Ovacome in front of you, as you will need the Meeting ID.

If you don't have the email on your phone or tablet, and so can't click on the link, just open the app instead. You will see the following screen. Click 'Join a meeting'.

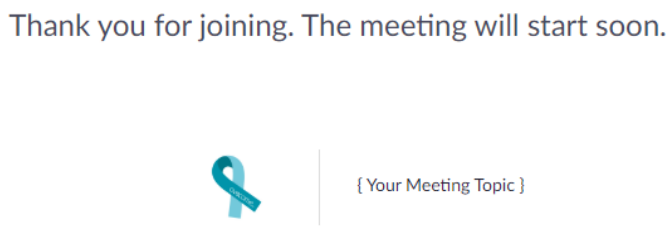

You will then see the following screen. Enter the Meeting ID from the email Ovacome sent you, then your name, and click ‘Join’. This will take you to the meeting.

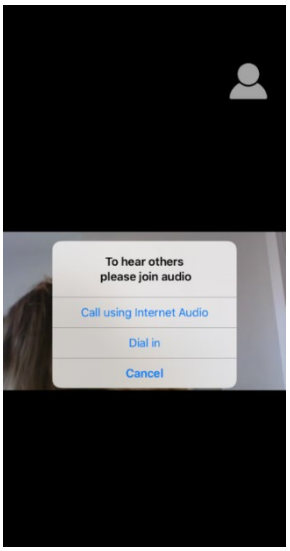

You may then be asked for the meeting password. This is included in the email Ovacome sent you. Type in the password, then click ‘Continue’.

Once Zoom has opened, you may be entered in a ‘waiting room’ until the host starts the meeting. You do not have to do anything, just wait until the host starts the meeting. The screen will show a message like this:

Once the meeting starts, you will see the following screen. Please click ‘Call using Internet Audio’.
