Notice

Do not take this class unless you are well enough to do so.

If at any time you have any reason to question your ability to participate in this or any other class then as well as telling us, you should not take (or stop taking) the class and instead seek prompt medical advice from your doctor.

If you do proceed with this or any other class it shall be at your sole risk and responsibility (loss resulting from death or personal injury caused by our negligence aside).

You are encouraged to have your camera turned on during the class, so that we can guide you through the session safely. If you choose to have your camera turned off, then you are accepting full responsibility for yourself.

Liability

In respect of which our liability for personal injury or death caused by our negligence (which is unlimited) to the fullest extent permitted by law, in no event shall we or our employees and agents be liable for any special, indirect, incidental, consequential, punitive or exemplary damages, costs or losses arising out of or relating to your taking this or any other of our classes or from any other interactions with us, even if we have been advised of the possibility of such injury or loss. This limitation of liability applies whether the alleged liability is based on contract, negligence, recklessness, professional negligence, tort, strict liability or any other basis or legal theory.
